Administration Raises Scholarship Standards; Faculty Announces Revisions Of Curriculum

Probationary System Established On Hill

by Trafford Allpass

Beginning with the Class of 1955, Hamilton students who fail to meet minmum academic requirements will be placed on probation by the Board of Review, it was announced thisweek

Students on probation will not be permitted to participate in any College activities whch reach the public. Activities falling under this general heading include: intercollegiate athletics, student publications and musical and dramatic organization participation. "Other college privileges such as participation in other types of extra-curricular activities may also be limited at the discretion of the Board of Review" according to the Administration's release.

Requirements Listed

The "Revision of Minimal Academic Achivement Including A System of Probation" further states that the substandard achievement for a semester is determined by the semester final grades as follows:

1. Failure of any student in two or more three or four hour courses in the semester.
2. Failure of any student to obtain semester grades of 70 or higher in at least two or three or four hour courses after the first semester of freshman year.
3. Failure of a freshman to obtain an average of 60 or higher in the semester.
4. Failure of a sophomore to obtain an average of 65 or higher in the semester.
5. Failure of a junior or senior to maintain a cumulative average of 70 or higher of those semester grades obtained since he acquired junior status.
6. Failure of a second semester sophomore, a junior, or a senior to have grades of 70 or higher in at least half of his courses at Hamilton.

Librarian Wilder

Wilder To Leave For Library Post At Beirut College

David Wilder, librarian of Hamilton College since 1946, announced his resignation this week.

Wilder will sail in August for Lebanon to take up his new duties as librarian at the American University in Beirut.

Commentng that, "Leaving Hamilton was was a difficult decision to make," he added that, "The new job offered such a unique experience that I couldn't afford to turn it down."

Appointment A Surprise

According to Wilder, he received a letter from the Near East College Association three months ago asking if he would apply for the position. "In a jocular mood, I did it," he said. The wheels began to turn, he explained, and two weeks ago the president of the University offered him the job at a conference in New York City.

Beirut University has never had a central library, but has operated through its college branches. Wilder's new assignment will be to centralize these libraries in a new building now being erected for that purpose. In addition, he will co-ordinate the central library with several branches which will continue to be maintained.

Worked In Washington

Before coming to Hamilton in 1946, Wilder was employed by the American Library Association in its office on International Library Relations in Washngton.

He was born and brought up in Rochester, New York and received his A.B. degree from Union College in 1940. In 1941, he received an A.M. from the University of Rochester and a year later obtained his library

Speech & Language DepartmentsRevised

Another significant change in the curriculum, in line with last year's dropping of the group requirement, was approved this week by the faculty.

Main revisions in the new program occur in the public speaking and language departments, with a greater number of electives planned.

In the French department, new courses will be offered, for the purpose of dividing the study of French literature by centuries instead of types, and including the addition of a seminar.

New Courses Offered

Two new advanced courses in Spanish literature will be offered, 9-10 being a course in Spanish- American Literature, and 11-12, described as "Advanced Spanish Literature," which will include study of the "Golden Age" and of the 19th and 20th centuries.

Public Speaking changes authorize a wider choice of course for juniors and seniors (beginning with the classes of '52 and '53), and will permit supervised participation in Intercollegiate Debating as a non-credit extracurricular activity and a substitute for public speaking courses, beginning with the class of 1954.

Other changes include: make

Ohannessian Wins McKinney Debate; Wehmeyer Elected

Bill Wehmeyer, '52 was elected president of the Debate Club last night, while senior Si Ohannessian, retiring debate president won first prize in the 83rd annual McKinney Debate contest held at Emerson Literary Hall.

New members and officers of Delta Sigma Rho, honorary forensic fraternity, were also named at the Debate Club banquet at the Alexander Hamilton Inn immediately preceding the McKinney Debate.

18-Year Old Voting Debated

Debating the topic, "Resolved: that the right of suffrage should be extended to 18-year olds," the negative team, composed of Ohannessian and Sig Hellman, was judged the winners by the audience. Bruce Bowen was given second place individual honors by the judges. Dave Podell and Bruce Bowen debated the affirmative side of the case.

New members of Delta Sigma Rho include senior Bruce Bowen, juniors Bill Schwarz, Arnold Katz, Frank Jewell, Addie Keeler, Ed Rosenthal and Dick Hogan and sophomore Connie Ring. Peter Singer was elected president of the society, while Frank Jewell is the new secretary.

IFC Elects Heads; Jewell To Preside

Frank Jewell, president of DKE fraternity, was elected president of the Interfraternity Council at its regular meeting night in Root Hall.

Besides electing officers, the Council also discussed the report of I.F.C. Scholarship Committee.

Wood, Rice Elected

Other officers elected to serve during the 1951-52 college year were Roger Wood, vice-president, and Chuck Rice, secretary-terasurer.

Jewell is a member of the Debate Club. D.U.'s Rog Wood is a member of Was Los, president of the Block H Club and a veteran shortstop for the baseball team. Rice, a member of Theta Delt, is a swimming letterman.

Advises Probation Extension

Headed by Bill Hutchison and Bob Levy, the I.F.C. Scholarship Committee recommended by an 11 to one vote that the I.F.C. ask the College Administration to extend the new scholarship probation system to include initation into fraternities.

Recently the faculty voted to set a minimum standard of scholarship. If a student falls below this he will be placed on probation. A student is limited to two semesters on probation. If the scholarship committee recommendation is approved by the I.F.C. it would mean that no student can be formally initiated into a fraternity while on probation.

Summer Jobs Open

Hamilton students will be offered the possibility of earning $100 a week or better at a meeting Wednesday afternoon in Root Hall.

J. C. Ford will meet with interested students at 3:30 in Root 24 to offer them summer selling jobs—introducing a new product to the public. Ford says that $40 a week can be earned by part time work at nights and on weekends.

Lost Your Note Book?

Articles lost in the library this year may be reclaimed next Monday and Tuesday. They will be displayed on a table in the central hall.

Starting Wednesday morning, articles not claimed may be taken by anyone who wants them.

Bi-Lingual Children Of French Profs Fascinate Friends At Nursery School

by Dan Fulmer

"Pussy", "No Change" and Mary Ann are the names which the younger set in the college community has attached to three of the children of the members of Hamilton's French department.

The children's nicknames sound very American because they all have lived in this country for several years, but the mothers of all three are French girls. The three youngsters speak only French at home, and some of them were born in Paris.

But aside from these facts, there is little difference between them and the other children on the Hill. They attend nursery school with many other faculty children. Their fathers expect to see them attend the school in Clinton eventually.

Children Differ

Of course, within this pattern of normalcy, the individual fathers, Messrs. Moraud, Hamlin, and Tileston, consider their own children to be very different —just as all fathers do. Mr. Moraud, for instance, points out that his little "Pucy" is "disgustingly healthy." Her nickname certainly indicates this, for "Pucy" is derived from the French word, "puce," which means "flea." "Pucy," Mr. Moraud explains, jumps around like a flea. Naturally "Pucy" becomes "Pussy" to the neighborhood.

"Pucy," whose real name is May, was born in Paris and is now five years old. It was in Paris that Mr. Moraud met his wife on the day that the city was liberated.

Mr. Moraud says that as yet "Pucy" has had no difficulty in learning two languages. At first however, her English conversation tended to lean dangerously toward another language—Irish —because the neighbors with whom she first started to talk English had a decisive brogue.

Mary Ann Hamlin

Mary Ann Hamlin, four year old daughter of a Hill French teacher, is intent on matriculating at Hamilton when she's old enough to go to college.

None of the children have trouble with their English now when they play with the neighborhood children. When two of them speak French to each other while in a group of other children, necessary translation follows, for the others are facinated with French. In fact, Mary Ann, Mr. Hamlin's daughter, has some of the faculty children saying "oui" instead of "yes". This conscious translation on their part goes on all the time, says Mr. Moraud.

Sandbox Adventure

This fact is borne out by a story Mr. Tileston tells of his son, Henri, who came bouncing enthusiastically into the house to tell his father the adventures of the past day in the sandbox. He repeated first what his friends had said in English while they were playing. Then Henri thought it necessary to translate

Five Varsity Teams To Compete On Hill

The Hamilton-Rochester tennis match, scheduled for this afternoon on the Hill courts, has been postponed because of rain.

Spring houseparty intercollegiate sports activity began this afternoon at 4:00 when both the varsity tennis and golf teams met opponents from the University of Rochester. Led by Captain Jack Banks, the tennis team was out to revenge its sole 1950 defeat which came at the hands of Rochester last spring houseparty. The Yellowjackets were slight favorites despite Hamilton's impressive no oss record with wins over Union, Hobart, Stevens, and Cortland State.

The golf match was the second meeting of the two teams this season. Iast Saturday at Oak Hill Country Club in Rochester. Rochester won 9-0. Among the U. of R. golfers was Jack Donohue who broke the Hamilton Alumni Gynasium basketball scoring record two years ago.

Lacrosse With Syracuse

Tomorrow morning at 10 a.m. the lacrosse team will engage the Syracuse J.V.'s in an attempt to pull to the .500 mark in the won-lost column. Victors over Ithaca, the stickmen have lost to Cortland State and Union. They will be in the favorites, role tomorrow as this is Syracuse's first game. Attackman Charlie Reach who has racked up six goals in each of Hamilton's last two games will guide the team offensively along with Pete Wood and Jim Brown. Probably Frank Birdsall, Dave King, and Bob Maider will play mid-field spots with Rusty Regin, Hal Ferris, and Si Keehn holding down defense slots. Jake Sweet probably will start in the nets.

At 2:30 Saturday the track meet and baseball game will get underway with the Rochester Yellowjackets again supplying the opposition. In track Hamilton will be seeking its initial victory of the season against one of Rochester's strongest squads in recent years. Having disposed of Union, Ithaca, and R.P.I., the Rivermen have their

Irv Reid Tapped By Honor Society

Irving Reid was tapped by Was Los, junior honor society, after Chapel Thursday.

Reid, an ELS pledge, was recently elected junior representative to the Student Council. He is also a letterman in track. a member of Block H Club, D.T. and the Chapel Board.

Other sophomores tapped by Was Los this year include Ron Seaman, Don Grant, Charles Bates and Tim Hyde. One more member of the class of '53 will be chosen next Thursday after Chapel.

Authority On Asia To Lecture Here

Professor Paul A. M. Linebarger, of the School of Advanced International Studies in Washington and a State Department advisor, will discuss the Far Eastern situation before the International Relations Club in the Alpha Delta Phi house at 8:00 Wednesday evening, May 16.

Linebarger, whom Professor George Lenczowski of the Hamilton Political Science Department called, "one of the foremost authorities on the Far East in the United States today," toured southeast Asia last summer for the State Department and recenty returned from a month in Korea.

Educated at George Washington University, Johns Hopkins, Oxford and the University of Chicago, Linebarger spent many years in China where his father acted as advisor to the Chinese government in the early years of the Republic

He has written several books on China and psychological warfare among which are *Political Doctrines of Sun Yat Sen, Government in Republic China* and *The China of Chiang K'ai-shek.*

Schwarz Elected Council President

William Schwarz, '52, was elected president of the 1951-52 Student Council Monday night.

Other offcers elected at the meeting were Si Keehn, vice-president, and Ron Seaman and Rod Gander, secretary and treasurer, respectively.

A member of ELS, Schwarz served as Associate Editor of *The Spectator* this year and was recently named co-editor of *The Hamiltonian* for next year. He is a member of Was Los and the Honor Court.

Council Duties Outlined

Retiring president Bill Kaufmann presided over the meeting until the elections were concluded. He outlined the duties of the new Council for the remainder of this semester.

The new Council will make arrangements for Class and Charter day under the direction of Schwarz and Gander. It will also discuss a new plan for con ducting elections, suggested by Jack Banks; draw up the calendar, make up the Thursday Chapel program; and appoint the chairman of the Social Committees.

Jewell Also In Council

In addition to the class presidents, the class representatives and the representative-at-large, Frank Jewell new I.F.C. president, is a member of the Council. Afreshman delegate will be elected next fall.

All Council members /were present Monday night with the exception of Irv Reid, new junior class representative.

In 1819 New York Governor Dewitt Clinton told the Legislature that, "Hamilton is rising rapidly in usefulness and reputation" and deserves state support.

FraternitiesPlanning Sports, Dances, Fun

Fireworks at Theta Delt and an all-college beer party at Delta Phi will usher in Hamilton's 1951 Spring Houseparty tonight.

Also scheduled is the traditional traveling between houses.

Delta Phi's party this evening will be featured by the Dixeland jazz of Derry Hall and his band. According to Hall, the decor in the DP house can be interpreted as that of either a German Beer Garden or a Cafe of All Nations. He noted, however, that the beer will be the same regardless of interpretation.

Sports Contests Slated

Athletic contests slated for this weekend include a track meet and a baseball game with the University of Rochester tomorrow at 2:30. The Hill lacrosse team will meet the Syracuse J. V. squad tomorrow morning at 10:00. Hamilton faced Rochester in golf and tennis this afternoon.

The fireworks at Theta Delt tonight are scheduled to include shooting stars and rockets, according to Bill Orth.

House Schedules Listed

A rundown of fraternity activities during the weekend follows:

ALPHA DELT plans a softball game with Theta Delt tomorrow morning. A picnic lunch, a cocktail party on the house porch, and a formal dance with music by George Favio will keep the Alpha Delts busy until early Sunday.

DELTA PHI members will eat hot dogs and clams tomorrow night after their dance, at which Greene Fenley and his orchestra will play.

DELTA UPSILON reports plans for a Monte Carlo party tonight. Beer will be served after 9 p.m. A buffet lunch in Daw's Grove, a clambake, and a cocktail formal comprise DU plans for Saturday.

ELS held an outdoor banquet on their lawn tonight. Saturday the dates meet the "brothers" in a softball game. A noon banquet, a buffet at night and a dance at 8:30 are scheduled. A Sunday morning milk punch party completes the Emersonians' weekend.

LAMBDA CHI ALPHA members plan a picnic, a cocktail party, a banquet, and a formal dance for Saturday. A milk punch party is slated for early Sunday.

PSI U's formal cocktail party will be followed by a banquet and a dance Saturday night. Cocktails will be served again Sunday morning.

TKE's schedule shows a hayride tonight and a christening ceremony for their new outoor fireplace Saturday noon.

THETA DELTA CHI has announced an open house tonight at which the Buffers will sing. Tomorrow noon there will

From Editor To Editor

The false fire alarms in Carnegie Dorm this fall were described humorously in the fall houseparty issue of *The Spectator*.

In some devious way, that issue reached the desk of an Associated Press night editor in New York. He later told a Hamilton student, "Whoever wrote that fire story showed real talent, and he certainly has a fine future in journalism."

The author of that story was Gallie Crump.

Gallie retired last week as editor of *The Spectator,* and we can think of no better way of expressing the attitude of the staff towards Gallie than by printing the AP editor's comment.

Gallie's ability to write and make up *The Spectator* better than any of the rest of us always served as an inspiration. Whatever is done well in the paper during the next twelve months will be a direct result of Gallie's efforts this year.

A Statement Of Policy

The advent of a new regime in any field—be it politics, business or journalism—always calls for, and should receive, a statement of policy. *The Spectator* has just undergone such a change, and now it the time to present the program of the new staff.

Primarily, we will attempt to follow the most important tenet of any newspaper. And that tenet is a sense of responsibility to our readers. In our case, the responsibility is mainly to the students, and secondarily to the faculty, administration and alumni.

In line with this conviction we believe that is in the interest of the student body to be presented both sides of any issue that affects it. We propose to play no favorites, and to present objectively every phase of activity that relates to students.

We will attempt to do this with to-the point, compresensive and unbiased writing, and we will keep that writing at as high a level as possible.

LETTER TO THE EDITOR:

'Magoo' Cancelled As Hecht Refuses To Release Rights

May 10, 1951

Letter to the Editor:

Friday, May 4, I received word from Ben Hecht that the student production of *The Great Magoo* must be stopped. Hecht stated that he could not". . . grant permission to do the show, as he" had " . . .other plans for it." Work on the musical was immediately stopped.

This reply to our overtures for 'rights' to 'produce *The Great Magoo* was discouraging, but final.

Previous to Hecht's reply, we had sent letters to him dated April 3, April 25; a telegram to his agent in New York, Jacques Chambrun, on April 12; and a telephone call placed with Chambrun, April 17. Even though no definite reply was received, it was imperative that we begin production on Tuesday, April 16.

A great deal of work on everybody's part had to be scrapped with Hecht's refusal. The play had been completely cast and rehearsals had been underway for more than two weeks. Derry Hall had worked on music for the show since last Fall and many others had given of their time unsparingly.

I would like to thank all those connected with the musical for their work and say how sorry I am to have to cancel the show. I hope, however, that in future years a musical production will become a regular part of college activities.

Sincerely,
Galbraith Crump, '51

Curriculum . . . Cont.

Chemistry 1-2 a prerequisite for Biology 7-10; eliminate Philosophy 3-4 as a prerequsite for Ethics 5-6; authorize the continuation of Philosophy 7-8 for another year.

The public speaking curriculum was enlarged by the addition of 7-8, Advanced Discussion; 9-10, Advanced Argumentation; 11-12, Advanced Extemporaneous Speaking; and 17-18, English and American Public Address. All courses meet one hour a week.

Root's Glen: Social Center On Weekends

Here's the scene of the annual outing of the Oren Root Nature Study Group to be held this week. (Spectator Photo by Rath.)

Root's Glen Calls As Nature Loving Couples Study Birds, Bees, Flowers

by Gil Burke

That wooded area located on the southwest side of College Hill Road and known to a select group of initiates as Root's Glen will again this weekend become the happy hunting ground for the inquiring mind.

For this weekend, the Oren Root Nature Study Group, with the green light from the Dean and the IFC, will proceed with its annual plan for a "Mxied Couples' Weekend of Nature." The weekend idea was started some eighty years ago by Oren Root's father, when he forced his son to stay away from the unusually rowdy Hamilton houseparties and left the boy but two possibilities: a bible conference at Franklin Springs, or a weekend in the woods with a few close friends.

NSG Formalized

Trying the later alternative the lad and his mixed friends returned from the woods on Sunday morning fantastically enthusiastic, and their plan immediately caught fire on campus. The Nature Study Group soon became a formal (and very exclusive) organization, with a secret but widespread influence on campus.

After surviving the rigors of World War 1, the Group's activities went forward with renewed vigor. During the raoring twenties, enthusiasm ran rampant, and on the evening of May 11, 1926, the N. Y. State Police headed by a rising young sergeant named Burton failed to dispel with tear-gas a group of Orenites (as they are known today) who were playng Great Gatsby, evidently a popular outdoor game of the day. Following this incident, Hamilton was forced to sever diplomatic relations with Smith College, and it was only through the persistance and tact of Philip Jessup that Hamilton now rests in good graces with that institution.

An added feature of this year's outing will be a field trip, led by Messers Oxley and Schneer through the Glen on an all-out search for fossils. This trip will be follwed by a fascinating discussion; "Graptolithus tessalatus and the Changing American Scene." It is hoped that the group will be able to uncover a guide fossil which will help to correlate this weekend with previous outings in geologic time.

Faculty Children . . .

for his father, telling him in French what his friend had said, as if his father couldn't understand English.

Henri has become known to the Clinton villagers as "No Change." This name was applied to him as a result of his trips to the drug store to get candy. When his father gave him a dime, he was told to ask the clerk, "A Milky Way and no change." On the other hand, if his father gave him a quarter the question was to be, "A Milky Way and change please."

Besides candy bars and his sandbox, Henri is interested in watching football games, learning to skate in the Sage rink, and looking at the photographs in the financial reports of big companies.

Likes Football

Mary Ann, Mr. Hamlin's four year old daughter is also fascinated by football games on the Hill. However, that is not only thing about Hamilton that she likes. She wears a little Hamilton jacket constantly—"even to bed once," adds Mr. Hamlin. She says often, "When I grow up, I'm going to Hamilton.

Mr. Hamlin remembers distinctly the day he first realized that Mary Ann could understand adults speaking English. The family was having dinner one Sunday night at a restaurant, when the waitress appeared to ask if that would be all. Mr. Hamlin answered yes when suddenly Mary Ann piped in, "No—ice cream!" At that time Mr. Hamlin almost regretted Mary Ann's newly-found English.

SQUIRES CLUB plans include a wienie roast tonight and a cocktail party with music late tomorrow afternoon. The Squires will dance at the ELS house Saturday night. Tomorrow morning the students will compete with their dates in softball.

CHI PSI, SIGMA PHI, and DKE activities will probably be typical of those in the other houses.

Scanning The Field

BY LARRY ROUILLARD

Baseball fans on the Hill were presented with a rare treat last Saturday because Hamilton and Stevens Tech, boasting a 7-2 record for the season, came to grips in one of the finest baseball games played on the local diamond. The treat was even more unique because Hamilton, getting off to a 3-1 edge in the first inning, upset the Hoboken nine, 6-2.

The Continentals, after a three-base error by Ben Merrick had given the visitors a one-run margin, needed only three pitches to tie up the score. On successive pitches, Calkins, Merrick, and Wood singled to knot the count in the last half of the first inning.

After giving up another run in the second stanza, Bill Galvin took complete command and shutout the losers who conquered Union, 6-2, Friday for seven innings. Galvin, having good control for a change, had the Stevens hitters biting on the pitches he wanted them to go after. He walked only two and fanned nine, two in the last inning to prove that he was strong at the finish.

In the middle innings, from the last out in the fourth through the sixth inning, the Stevens pitcher threw only seven pitches to retire seven men. He was consistently getting the first pitch over the plate and the Blue's batters didn't waste any time in swinging away for those base hits.

After the first two innings, the Hamilton defense gave Galvin flawless support. Don Grant, playing left field, took an extra base hit away from the Stevens' cause with a tumbling shoestring catch at the base of the bank in deep left center. Rog Wood started a double play to stop a threat with Ken Higgins pivoting nicely. Pete Sullivan, playing first base with Galvin twirling, did well and hit a vicious drive to the bank in left field which the left fielder missed catching off his shoelaces.

Before I close my column for *The Spectator,* I would like congratulate and to wish Jim Scott, the Sports Editor starting this week, the best of luck in 1951-52. I hope that he has as much fun as I had working with the Athletic Department, the staff of writers under him, and the other editors of the paper.

Also, I should like to thank my staff—Jim Nickel, Phil Robinson, Marty Fribush, John Bailey, Dick Smalley, and Dan Goodstein—for doing a fine job during my tenure.

Stickmen At Home After Union Loss

Tomorrow morning at 10 a.m. Hamilton's lacrosse team faces off against Syracuse's J.V. in what promises to be a hard-fought contest.

Although this will be the junior orangemen's first game, the Syracusians are expected to send a strong delegation of men from the lower levels of their top-rated varsity in an effort to stop the sting of Hamilton's high-scoring machine, which boasts a nine goal a game average despite a one win, two loss record.

Last Saturday, a letdown for the first eight minutes of the second half cost the Blue a 14-10 defeat in a rough game against favored Union. The first period was a nip and tuck battle with neither team being able to gain more than a one goal lead. In the third lapse by the Continentals Union rolled the score from 7-6 to 12-6. Although Hamilton made a gallant comeback, outscoring the Garnet in the last period, the uphill fight was too much and the game ended Union 14, Hamilton 10.

Attackman and captain Charlie Reach was the star of the game for the Blue. Reach threw in six goals to keep Hamilton in the contest and matched Union's ace Herb Huffnagel for scoring honors. Also in the scoring column were Pete Wood with two, and Frank Birdsall and Dave King with one each.

Golf, Tennis Play Here In Afternoon

While Mox Weber's undefeated tennis team was receiving the acid test from a strong Rochester squad here this afternoon, Don Jones's golfers were competing against Rochester's links team on the college course.

Hobart, defeated in its opening match by an 8-1 score on the Hill on May 2, will try to gain revenge on its home courts next Wednesday. On the 17th, Weber will send his netsters against Utica College which replaces Hartwick on the schedule. Hartwick has dropped intercol-

Track Team Edged By Panthers 65-61, Faces Rochester

Tomorrow afternoon on Steuben Field, before a Spring Houseparty crowd, the Buff and Blue track team will face a strong Rochester team who has already won three meets, including a 65-61 win over Union. Also victims of the Yellowjackets were Ithaca and R.P.I.

Due to the Medical exam, the Blue will lose the services of shotputter John Egner, undefeated so far. Coach Dugan hopes hurdler "Whitey" Martindale and broad-jumper Steve Waite who are recuperating from injuries will be ready to go tomorrow.

Middlebury Cops Close One

Performing before a large Spring party crowd on their home field, the Middlebury track team got the breaks when they counted most and won a close,

exciting meet from Hamilton 65-61. By far the outstanding performer of the afternoon was George West, a Middlebury sophomore, who won three events, set a new Middlebury record in the 220, and iced the meet with a leap of 20 feet and one inch in the final event, the broad jump.

Showing up especially well for Hamilton were three men who have been consistently improving this spring. Paul Noyes, a sophomore, pole-vaulted an even eleven feet to tie for first place. His jump was higher than he ever did before. Freshman Roger Haggerty won the two mile run in 10:50.5, an improvement of better then thirty seconds over his previous best time. Joe Hull high-jumped five feet, seven inches to tie for the first, his first intercollegiate win.

Gumerlock Spurts

Also showing well for the Continentals were Dick Gumerlock, who trailed for three quarters of the 880 and then put on a tremendous final kick to win in 2:09.9; John Egner, who won the shot put for the second straight meet with a toss of 44 feet, five and one-half inches and placed second in the discus; and Irving Reid, who shaved a second off his time of a week ago in winning the 440 in the time of 52:6.

Statesmen's Ninth Inning Tally Hands Team Fourth Loss In Five Games

Hamilton's hard- luck left-hander, Tony Sleggs, was tagged for his third straight setback here Wednesday, as the Hobart Statesmen squeezed out an unearned, ninth-inning tally to nip the Continentals, 5-4.

It was Hobart's third win in five starts, while Hamilton now has only one victory in its five outings. The Hill's diamond schedule continues with no let-up, as Coach Batt's crew next engages the powerful U. of Rochester in a home- and-home series, here tomorrow and at Rochester next Wednesday.

Deadlocked, 4-4, since the fifth inning, Hobart pushed over the deciding marker in the ninth when, with two away, Mel Shantz was safe on an infield error, stole second, and crossed the plate on Joe Dingle's bouncer through the middle.

Hamilton made a strong bid in its half of the ninth when, with two out, pinch hitter Marty Fribush laced a single to left and took second on left-fielder Jones' throwing error but was left stranded, as Calkins skied to deep left for the final out.

Sleggs, dropping his second one-run verdict while hurling his third complete game, had one bad inning, the fifth, when the Statesmen bunched five hits for four runs.

Hamilton took a short -lived lead in the third when Dinny Calkins beat out a bunt and scampered home on Rog Wood's sizzler over second,

Trailing 4-1 in the fifth, the Continentals, with two down, cut loose for four hits and three runs to knot the count. Calkins slashed a single past short and promptly stole second. Harry Babcock then delivered the tilt's only extra-base blow, a line double to left center, scoring Calkins and chasing the tiring starter Gil Thomas who was releaved by winner John Green. Wood looped a hit into right-center to score Babcock. After Wood has pilfered ,second Harry Doyle tied it up with a rifle-shot single to left.

Saturday Hamilton won its first game by beating a strong Stevens nine, 6-2, on the local diamond for the Tech men's third loss in ten starts. Rog Wood and Pete Sullivan paced the Continental attack with two hits in four trips to the plate as Bill Galvin pitched five-hit ball.

legiate tennis.

Last Wednesday, in a match abbreviated by rain, the tennis squad whipped Cortland 7-1 to gain its forth consecutive win of the season. King Van Nostrand gained Cortland's only point when he tripped Hamilton's number one player, Jack Banks 2-6, 6-4, 8-6.

Stevens of Jersey City was whitewashed 9-0 by the Hill men last Saturday. Bob Millspaugh was the only Hamilton enterant not extended in gaining his win. He whipped Bob Badertscher 6-0, 6-1.

The linksmen hope to improve on their 2-2 record when they meet Utica College away next Monday and when they tangle with Union on the Hill links next Wednesday. On May 2, Utica was drubbed 9-0 by Hamilton, while untested Union bowed to the Continentals twice last year.

Cortland fell victim to Jones's crew 9½—6½ on their home grounds, Cortland Country Club, last Tuesday. Al Persons was medalist with 75, while Clint Emery shot 78. Captain Bill Lures came in with 79, and Byrne Kinney carded 80.

Last Saturday, a powerful Rochester team blanked the Blues 9-0 on the Oak Hill Country Club course in Rochester. Ray Lang was medalist for the Yellowjackets with 76. Al Persons, Hamilton's number one swinger was low man for the Hill representatives with 84.

J V Season Opens As Baseball, Golf Lose On Weekend

Junior Varsity baseball and golf teams opened their seasons on winless notes last weekend. On Friday, the baseball squad dropped their first tilt to the Colgate Frosh by a 9-2 count. Aided by hurler Bill Cline's wildness and lapses by Hamilton fielders, the Red Raiders scored seven times in the first two innings to assure their victory.

On Saturday the Continentals dropped a 6-5 heartbreaker to Morrisville in ten innings. Bill May's pitching was outstanding for the Hillmen. A two run homer by Don Thomas and Bobby Abram's ninth inning triple paced the Hamilton attack.

The J. V. golf team dropped a 9-0 decision to the Colgate Freshmen last Friday afternoon at Hamilton. Captain Jack Larsen heads a squad composed of Carl Menges, Greg Allen, Dusty Heuston, Joe Bugliari, and Jerry Huff.

The J. V. tennis squad opened their season against Manlius and the Colgate Frosh this week. Playing in the singles and doubles matches were, Stu Pollock, Dan Goodstein, Phil Fadgen, Bill Carmen, Jeff Simpson, Bill Meservey, Phil Bitley, and Neil Lempert.

eyes on an undefeated season. Hamilton was just nosed out by Middlebury last week after having lost to Union. Halfmiler Dick Gumerlock, sprinter Dave Palmer, and distance runner Roger Hagerty will carry Hamilton's hopes for an upset.

U. Of R. In Baseball

The baseball team will have its hands full against a Rochester nine which exploded against St. Lawrence last Saturday 21-7 for its fifth straight victory in six outings. Big men for the Yellowjackets are pitcher Mel Black with a 3-1 record and right fielder Tom Sarre whose booming bat broke two runs-batted-in records in last week's St. Lawrence game. Captain Harry Doyle's Continentals hit the win column against Stevens last week after dropping games to Union, Amherst, and R.P.I. Shortstop Rog Wood and first baseman Pete Sullivan who collected two hits apiece in the Stevens game will lead their teamates in Hamilton's bid for an upset.

Sigs Lead 3 Teams For '51 Softball Title

Intramural softball has moved along to about the halfway mark with three teams setting the pace: Sigma Phi, Theta Delt, and Chi Psi. Only the Sigs sport an unblemished record.

In yesterday's three games, Bob Atherley pitched Chi Psi to a 10-1 victory over DKE, the Independents nosed out ELS in the twelfth inning, and Psi U recorded the upset of the day when they edged Theta Delt in a 7-6 squeaker. Chi Psi's lone defeat came at the hands of the Sigs when a late inning rally gave pitcher Tom Arthur the victory.
